DSL-1073 – NOTICE OF POSSIBLE TERMINATION OF REGISTRATION

United States Department of State

Washington, D.C. 20520

NOTICE OF POSSIBLE TERMINATION OF REGISTRATION

Dear Visa Applicant:

One year ago this office advised you of the necessary steps to prepare for an appointment to file a formal application for an immigrant visa. Our records indicate that to date you have not responded to our letter of _____. If our records are in error and you have, in fact, responded, or if you have not yet responded but still wish to pursue your immigrant visa application, **please contact us immediately**. Completion of these steps is mandatory for the filing of an application at the time of interview. No visa can be issued unless these steps have been completed.

Section 203(g) of the Immigration and Nationality Act requires the Secretary of State to terminate the registration of any alien who fails to apply for an immigrant visa within one year following notification of the availability of a visa number. **THIS LETTER SHALL SERVE AS YOUR NOTIFICATION THAT A VISA NUMBER IS CURRENTLY AVAILABLE. FAILURE TO PURSUE YOUR VISA APPLICATION BY COMPLYING WITH THE INSTRUCTIONS BELOW WILL COMMENCE PROCEEDINGS TO TERMINATE YOUR IMMIGRANT VISA REGISTRATION ONE YEAR FROM THE DATE OF THIS LETTER.**

To pursue your immigrant visa application and avoid termination of your registration, you must complete the following steps within one year:

- (1) Complete and return Form OF-230 I, Biographic Data, **immediately**;
- (2) Obtain the documents applicable to your case listed in Forms OF-167 and OF-169;
- (3) Sign and return Form OF-169 when you have obtained the necessary documents. **DO NOT SEND THESE DOCUMENTS TO THIS OFFICE.** Retain them to present on the day of your formal visa application interview.

If you have any questions or are experiencing difficulty in complying with the above instructions, please contact us immediately.

Sincerely,

American Consular Officer
